5' Pipe Tamping Bar

This multipurpose tool can be used for tamping and assembling pipe!

The angled bottom plate forces dirt under the pipe insuring proper bedding. The top of the bar is forged flat to give it more bearing surface, helping it to hold better in the dirt while pushing pipe together.

- 1¹/₈" round steel stock
- 5/8" x 4" x 4" bottom plate angled to force dirt under pipe
- Forged flat on top end for pushing pipe together
- Weight: 16 lbs.±

DESCRIPTION	SHORT DESC.	LENGTH (FEET)	PRODUCT NUMBER
Pipe Tamping Bar	PTB5	5	63160
Fiberglass Tamping Bar (not shown)	FTB8	8	63165

Manhole Cover Hooks

Try our Aluminum Manhole Cover Hook. It's light-weight, yet strong and it will not cause sparks that could ignite dangerous sewer gases.

Loop Handle and Standard Cover Hook
